Molly Offer-Westort mollyow.github.io

University of Chicago mollyow@uchicago.edu
Albert Pick Hall for International Studies, Office 328 (203) 909-8380
5828 S University Ave, Chicago, IL 60637

ACADEMIC APPOINTMENTS

2021– **Assistant Professor**, Department of Political Science, University of Chicago

Additional University of Chicago appointments:

2022– Faculty Affiliate, Department of Statistics
2023– Faculty Affiliate, Political Economy PhD Program
2023– Faculty Member, Committee on Data Science
2023– Core Faculty, Master's in Computational Social Science Program
2024– Faculty Affiliate, Data Science Institute

2019–2021 Postdoctoral Fellow, Golub Capital Social Impact Lab, Graduate School of Business, Stanford University

EDUCATION

2019 Ph.D., Political Science and Statistics & Data Science, **Yale University**
2017 M.Phil., Political Science, Yale University
2017 M.A., Statistics & Data Science, Yale University

2011 M.P.A., Economics and Public Policy, **Princeton University**, Princeton School of Public and International Affairs

2005 B.A., Anthropology, **Grinnell College**

PEER-REVIEWED PUBLICATIONS

P. M. Aronow, Austin Jang, and **Molly Offer-Westort**. (2026). On the foundations of the design-based approach. *Political Analysis*, First View, 1–16. Published online June 25, 2026.
doi: https://doi.org/10.1017/pan.2026.10045

Leah R. Rosenzweig and **Molly Offer-Westort**. (2026). Conversations with a concern-addressing chatbot increased COVID-19 vaccination intentions among social media users in Kenya and Nigeria. *The Journal of Politics*, 88(4), 1668–1673.
doi: https://doi.org/10.1086/735504

Sudhamshu Hosamane, Kriti Sharma, Tanvi Goyal, **Molly Offer-Westort**, and Kiran Garimella. (2026). Evaluating peer fact-checking on WhatsApp. *Proceedings of the 2026 CHI Conference on Human Factors in Computing Systems*, Article 485, 1–27.
doi: https://doi.org/10.1145/3772318.3791861

Molly Offer-Westort, Will Gruen, Carter Herron, Kaden Hyatt, Max Buford, Kevin Davis, Diego Fonseca, Mushkie Gurevich, Tiffanie Huang, Rocio Jerez, Quinn Liu, Obi Obetta, Miguel Orellana, James Passmore, Jack Qiu, Julian Rapaport, Iñigo Sanchez-Asiain Domenech, Fernando Sandoval, Jose A. Tandoc, and Ravi Yalamanchili. (2026). Which frame fits? Policy learning with framing for climate change policy attitudes. *Research & Politics*, 13(1), 20531680251414927.
doi: https://doi.org/10.1177/20531680251414927

Molly Offer-Westort, Jiehan Liu, Nick Feamster, Kartik Garg, Nguyên Phong Hoàng, and Sudhamshu Hosamane. (2026). Deep canvassing with automated conversational agents: Personalized messaging to change attitudes. *Research & Politics*, 13(1), 20531680251414926.
doi: https://doi.org/10.1177/20531680251414926

Erika L. Kirgios, Susan Athey, Angela L. Duckworth, Dean Karlan, Michael Luca, Katherine L. Milkman, and **Molly Offer-Westort**. (2026). Does Q&A boost engagement? Health messaging experiments in the United States and Ghana. *Management Science*, 72(5), 3780–3803.
doi: https://doi.org/10.1287/mnsc.2024.04405

Andrew Eggers, Anthony Fowler, William Howell, and **Molly Offer-Westort**. (2026). Opportunities to govern: How to increase the supply of moderate and qualified candidates. *Political Science Research and Methods*, 14(4), 1460–1479.
doi: https://doi.org/10.1017/psrm.2025.10076

Austin Jang, **Molly Offer-Westort**, Serena Wang, and P. M. Aronow. (2024). Gnostic notes on temporal validity. *Research & Politics*, 11(4), 20531680241307942.
doi: https://doi.org/10.1177/20531680241307942

Molly Offer-Westort, Leah R. Rosenzweig, and Susan Athey. (2024). Battling the coronavirus "infodemic" among social media users in Kenya and Nigeria. *Nature Human Behaviour*, 8(5), 823–834.

WORKING PAPERS

Molly Offer-Westort and Drew Dimmery. (2026). Designing multi-arm experiments for global average treatment effects under partial interference. Revised manuscript under review, *Annals of Applied Statistics*.
Preprint: https://arxiv.org/abs/2101.12318

Molly Offer-Westort. Designing Studies for Confirmed Discovery.

Molly Offer-Westort, Flavia Jiang, and Shuangning Li. Joint selection-inference optimization (JSIO).

Molly Offer-Westort, Austin Jang, and P. M. Aronow. Addressing differential attrition in the Gary Negative Income Tax experiment.

RESEARCH IN PROGRESS

Making Inferences from Megastudies.

Structural democratic reforms: Data-driven experimental design for learning policy priorities. With Katherine Clayton, Brendan Nyhan, and Robb Willer.

Adversarial content moderation with social media data. With Nick Feamster and Anna Lorimer.

Interpersonal discussion and coordination in political settings. With Isaac Mehlhaff and Nick Feamster.

Understanding the policy feedback effects of student debt cancellation. With Patrick Liu.

Integrative experiment to explore the effect of conversation interventions on dialogue across disagreement. With James Houghton, Duncan J. Watts, and collaborators.

SOFTWARE AND METHODS RESOURCES

`Designate`. Software for online adaptive experimental design. Developed with Drew Dimmery. https://design-ate.dev/

`banditsCI`. R software. Developed with Yinghui Zhou and Ruohan Zhan. https://uchicago-pol-methods.github.io/banditsCI/

Adaptive experimentation tutorial. With Vitor Hadad and Susan Athey. https://mollyow.shinyapps.io/adaptive/

10 things to know about adaptive experimental design. (2018). EGAP Methods Guides. With Donald P. Green. https://methods.egap.org/guides/data-collection/adaptive-design_en.html

AWARDS, HONORS, AND FELLOWSHIPS

2024–2026 Andrew Carnegie Fellow, Carnegie Corporation of New York

2016–2017 Graduate Policy Fellow, Institution for Social and Policy Studies, Yale

2015–2016 Frazier Jelke Fellowship Fund in International Studies

2005 Mathematical Anthropology and Cultural Theory Journal Prize for best paper integrating ethnography and theory, with Douglas Caulkins and Carol Trosset.

GRANTS

External Funding

2024–2027 National Science Foundation, Methodology, Measurement, and Statistics. Principal Investigator. **$349,993**.

2024–2026 Andrew Carnegie Fellowship. Principal Investigator. **$200,000**.

2021–2022 Vaccine Confidence Fund. Principal Investigator, with Leah Rosenzweig. **$127,716**.

Internal University of Chicago Funding

2023 Social Sciences Research Center Faculty Seed Grant, University of Chicago. Research team member, with William Howell and Andrew Eggers. Project: *Appeals to Candidacy: Institutional Power and Electoral Politics*. **$10,000**.

2023 Core Conversations Innovation Grant, University of Chicago. With Andrew Eggers. **$2,500**.

2023 Data & Democracy Initiative. Principal Investigator, with Nick Feamster. **$49,978**.

2023 University of Chicago and University of Vienna International Faculty Grants Programme, with Drew Dimmery. **$2,620**.

2022 Data & Democracy Initiative. Principal Investigator, with Nick Feamster. **$14,877**.

SELECTED INVITED TALKS

2027 Models, Experiments, and Data Workshop, University of Wisconsin–Madison (scheduled April 30)

Frontiers in Causal Inference Workshop, Institute for Mathematical and Statistical Innovation, University of Chicago (invited; June)

2026 Current Topics in Social and Personality Psychology Seminar, University of Illinois Chicago (scheduled October 14)

Prosocial Design Research Workshop, Prosocial Design Network (scheduled November 18)

Department of Political Science, Massachusetts Institute of Technology

Quantitative Methods Seminar, Department of Politics, New York University

American Politics Workshop, Northwestern University
PPRG Workshop on Political Psychology, Stanford University
2025 Political Methodology Colloquium, Columbia University
Center for Statistics & the Social Sciences, University of Washington
Social Media & Democratic Practice Conference, Hoover Institution
Department of Econometrics, Monash University
2024 Instituto Tecnológico Autónomo de México
Methods Workshop, Department of Political Science, Vanderbilt University
Speaker Series Seminar, University of California–Los Angeles
2023 Latin American Political Methodology Meeting, Keynote Speaker, Universidade Federal de Pernambuco
Big Data and Econometrics Seminar, Aix-Marseille School of Economics
Politics Workshop, University of Illinois Urbana-Champaign
Methods Workshop, Department of Political Science, University of California–Berkeley
Models, Experiments, and Data Workshop, Department of Political Science, University of Wisconsin–Madison
Applied Statistics Workshop, Harvard University
Riker Seminar Series, University of Rochester
2022 Workshop on Quantitative Methods, Yale University
Statistics, Mathematics and Engineering Meeting, Netflix
Quantitative Social Science Colloquium, Princeton University
Formal and Quantitative Seminar, University of North Carolina Chapel Hill
Interdisciplinary Seminar in Social Science Methodology, University of Michigan, Keynote Speaker
Workshop on Learning from Interventions, Simons Institute for the Theory of Computing, University of California–Berkeley
Applied Quantitative Methods Workshop, Northwestern University
2021 Center for the Experimental Study of Politics and Psychology, Rutgers University
2020 Research Workshop on American Politics, University of California–Berkeley
Washington University in St. Louis, Data Science Lab
2019 Quantitative Methods Seminar, Department of Politics, New York University

CONTRIBUTED PRESENTATIONS AND POSTERS

2026 American Causal Inference Conference, Salt Lake City, poster, "Data-driven hypotheses and designs for theory testing and theory building"
Joint Statistical Meetings, Boston, "Designing experiments when the goal is getting the right treatments to the right people"
Visions in Methodology Conference, Hertie School, Berlin
2025 Society for Political Methodology Annual Meeting, Emory University
Institute for Operations Research and the Management Sciences Annual Meeting, Atlanta, "Strategic Experimentation: A Data-Driven Approach to Theory and Practice"
American Political Science Association Annual Meeting, Vancouver
2024 Joint Statistical Meetings, Seattle
Midwest Political Science Association Annual Meeting, Chicago
2023 Conference on Digital Experimentation, Massachusetts Institute of Technology, Boston
Institute for Operations Research and the Management Sciences Annual Meeting, Phoenix
European Survey Research Association, University of Milan-Bicocca
Society for Political Methodology Annual Meeting, Stanford
American Causal Inference Conference, Austin, poster

	Midwest Political Science Association Annual Meeting, Chicago
	Rebecca B. Morton Conference on Experimental Political Science, New York University
2022	Institute for Operations Research and the Management Sciences Annual Meeting, Indianapolis
	American Political Science Association Annual Meeting, Montréal
	Society for Political Methodology Annual Meeting, St. Louis
	American Causal Inference Conference, University of California–Berkeley, poster
	Midwest Political Science Association Annual Meeting, Chicago
2021	Midwest Political Science Association Annual Meeting, Virtual
2020	American Political Science Association Annual Meeting, Virtual
2019	Southern California Methods Conference, University of California–Riverside
	Society for Political Methodology Annual Meeting, Boston, poster
	Visions in Methodology, University of Georgia
2018	Conference on Experimental Political Science, Center for Experimental Social Science, New York University, poster
	Conference on Digital Experimentation, Massachusetts Institute of Technology, Boston
	American Political Science Association Annual Meeting, Boston
2015	Atlantic Causal Inference Conference, Wharton School, University of Pennsylvania, poster

SERVICE

Department and University Service

2026	Coordinator, Departmental Discussions on Artificial Intelligence, Political Science, University of Chicago
2026–	Member, Cube Faculty Advisory Committee, Division of the Social Sciences, University of Chicago
2025–	Workshop on Quantitative Methods, Department of Political Science, University of Chicago: Co-Coordinator (2026–); Organizer (2025–2026)
2021–2022; 2025–2026	Member, Search Committee, Political Science
2022–2026	Rising Stars in Data Science: Planning Committee, Application Reviewer, Mentor, and Panelist
2022–2024	Member, Graduate Placement Committee, Political Science
2022–2024	Member, Social Science Computing Services Faculty Advisement Board
2023	Member, SSD Liaison/Computational Social Scientist Search Committee, Research Computing Center
2021–2022	Member, Graduate Admissions Committee, Political Science

Disciplinary Service

2024–2026	Editorial Board, *Political Analysis*
2026	Miller Prize Committee, Society for Political Methodology
2026	Poster Discussant, Society for Political Methodology
2022–2024	Diversity Committee, Society for Political Methodology
2023	Program Committee, Society for Political Methodology
2023	Best Poster Award Committee, Society for Political Methodology
2022	Session Organizer, Midwest Political Science Association

Invited Discussant

Organizations and Computational Intensive Society (OCIS), 2026.

Society for Political Methodology Annual Meeting, Methods for Algorithmic Decision-Making panel, 2026.

Midwest Political Science Association Annual Meeting, New Evidence on Foundational Concepts panel, Chair and Discussant, 2024.

Online Causal Inference Seminar, 2021.

Reviewer

American Journal of Political Science, American Political Science Review, BMC Medical Research Methodology, British Journal of Political Science, Institute for Evaluation of Labour Market and Education Policy, Journal of Causal Inference, Journal of Computational and Graphical Statistics, Journal of Econometrics, Journal of Survey Statistics and Methodology, Journal of the Royal Statistical Society, Political Analysis, Political Behavior, PNAS Nexus, Proceedings of the National Academy of Sciences, Public Opinion Quarterly, Quarterly Journal of Political Science, Review of Economics and Statistics, Review of Economic Studies.

Grant Reviewer

National Science Foundation.

TEACHING

Causal Inference (PLSC 30600)
University of Chicago, Winter 2026; Winter 2027 (scheduled)

Advanced Topics in Causal Inference: Causal Inference and Machine Learning (PLSC 40601)
University of Chicago, Spring 2023, 2024, 2026
Course website: https://github.com/UChicago-pol-methods/plsc-40601-CI-ML

Lab and Field Experiments in Comparative Politics and Policy (PLSC 48110/28110)
University of Chicago, Winter 2023, 2024

Introduction to Quantitative Social Science (PLSC 30500)
with Andy Eggers
University of Chicago, Fall 2021, 2022
Course website: https://github.com/UChicago-pol-methods/IntroQSS-F22

Social Science Inquiry II (SOSC 13200)
University of Chicago, Winter 2022, 2023, 2024, 2026; Winter 2027 (scheduled)
Course website: https://github.com/UChicago-pol-methods/SOSC13200-W26

Social Science Inquiry III (SOSC 13300)
University of Chicago, Spring 2024, 2026
Course website: https://github.com/UChicago-pol-methods/SOSC13300-S26

ACADEMIC ADVISING

Ph.D. Dissertation Committee Member

Austin Jang, Political Science and Statistics & Data Science, Yale University (Ph.D., 2026; data scientist, Google, 2026–)

Siobhan Finnerty, Political Science Department, University of Chicago (current)

Jing Li, Political Science Department, University of Illinois–Urbana-Champaign (Ph.D., December 2025; postdoctoral scholar, Haskayne School of Business, University of Calgary, 2026–)

Steven Boyd, Political Science Department, University of Chicago (current)

Zikai Li, Political Science Department, University of Chicago (Ph.D., 2026; Research Data Scientist, Google, 2026–)

Ph.D. Dissertation Committee, External Jury Member

Bertille Picard, Aix-Marseille School of Economics (2023)

Master's Advising

Ellen Ohler, University of Chicago, M.A. Program in the Social Sciences, thesis advisor (2026; Ph.D. student, Princeton University, 2026–)

Zikai Li, University of Chicago, M.S. in Statistics, thesis advisor

Mikhaela Andersonn, University of Chicago, M.A. Program in the Social Sciences, thesis advisor (2024)

Xingyu Piao, University of Chicago, M.S. in Statistics, thesis advisor (2024)

Xingyu Qu, University of Chicago, M.S. in Statistics, thesis advisor (2024)

Sudhamshu Hosamane, University of Chicago, M.A. in Computational Social Science, thesis advisor (2023, current Ph.D. student in Information Science at Rutgers University)

Kentaro Nakamura, University of Chicago, M.S. in Statistics, thesis advisor (2023, current Ph.D. student at the Kennedy School, Harvard University)

Daniel Jones, University of Chicago, M.A. Committee on International Relations, thesis advisor (2023)

Kartik Garg, University of Chicago, M.S. in Data Analytics, advisor (2022)

Postdoctoral Mentoring

Isaac Mehlhaff, University of Chicago, Department of Political Science and Data Science Institute, postdoctoral advisor (2023–2024)

RELEVANT EXPERIENCE

2011–2014	Office of Queen Máxima of the Netherlands, UN Secretary General's Special Advocate for Inclusive Finance for Development, Researcher New York, NY
2013–2014	Freelance Data Analyst (USAID, Mercy Corps, Catholic Relief Services) Mali, Nigeria, Liberia, Uganda, Mauritania, Niger
2011–2013	World Bank Development Impact Evaluation Initiative, Field Coordinator Washington, DC and Dakar, Senegal
2007–2009	United States Peace Corps Madagascar
2005–2006	Grinnell Corps Lesotho

Updated October 14, 2026
